Společnost ELITE BOHEMIA byla založena v roce 1996, v době, kdy se v České republice začala opět rozvíjet soukromá výroba svítidel. U jejího zrodu stáli a dodnes ji řídí lidé, kteří zasvětili svůj život sklu a mají s výrobou svítidel bohaté zkušenosti. Společnost ELITE BOHEMIA, jeden z největších výrobců ověskových svítidel na světě, navazuje na staletími prověřenou tradici výrobců svítidel v Čechách a dále ji rozvíjí.

Rozhodli jsme se vytvořit samostatnou nabídku stolních lamp, při jejichž výrobě používáme kvalitní materiály a tradiční i nové výrobní postupy. Na našich stolních lampách najdete křišťálové sklo lisované i ručně broušené, sklo ručně malované a zdobené zlatem i sklo olovnaté ručně probušované.

Hlavní snahou a prvořadým cílem je spokojenost Vás, našich zákazníků. I nadále chceme přinášet na trh stále nové typy svítidel, které by Vás svým provedením zaujaly a do Vašich domovů přinesly radost a krásu.

ELITE BOHEMIA was established in 1996 as one of the first private companies to reestablish the tradition of fine chandelier production in the newly democratized economy of the Czech Republic. Our founders are the same dedicated and knowledgeable craftsmen who currently manage daily operations and continue to maintain the highest standards in production and design.

One of the finest and largest crystal chandelier producers in the world, ELITE BOHEMIA combines centuries old Bohemian artistry, the finest raw materials to include trimmings from Swarovski* and the latest technology to offer unparalleled custom production capabilities.

We decided to create the separate offer of table lamps. We use high quality materials and traditional and new manufacturing processes during the production.

Our main objective and aspiration is satisfying our customers through the continual creation and introduction of new designs to provide beautiful, functional lighting throughout the world.
